Dear Provider:

Johns Hopkins Hospital Transplant Program is considered the Center of Excellence for Maryland Physician Care (MPC) members for adult transplants.

Effective November 1, 2022, all potential adult transplant candidates should be referred to Johns Hopkins Transplant program, at 800-765-5447 or 410-955-9444.

Interlink remains the transplant vendor for MPC members.

Sincerely,

A handwritten signature in black ink, appearing to read "Glenn Vanderver", with a stylized flourish at the end.

Glenn Bruce Vanderver, MD, MPH
Chief Medical Officer
