Your patient's prescription benefit requires that we review certain requests for coverage with the prescriber. You have prescribed a medication for your patient that requires Prior Authorization before benefit coverage or coverage of additional quantities can be provided. Please complete the following questions then fax this form to the toll-free number listed below. Upon receipt of the completed form, prescription benefit coverage will be determined based on the plan's rules.

SECTION A: Please note that supporting clinical documentation is required for **ALL** PA requests.

1	Is the patient a woman? [If no, no further questions.]	Yes	No
[Note: A woman is defined as an individual with the biological traits of a woman, regardless of the individual's gender identity or gender expression.]			
2	Is the patient LESS THAN 75 years of age? [If no, no further questions.]	Yes	No
3	Does the patient have an intact uterus? [If no, no further questions.]	Yes	No
