Your patient's prescription benefit requires that we review certain requests for coverage with the prescriber. You have prescribed a medication for your patient that requires Prior Authorization before benefit coverage or coverage of additional quantities can be provided. Please complete the following questions then fax this form to the toll-free number listed below. Upon receipt of the completed form, prescription benefit coverage will be determined based on the plan's rules.

SECTION A: Please note that supporting clinical documentation is required for **ALL** PA requests.

1	Is this request for Initial or Continuation of therapy with the requested medication? [] Initial (If checked, go to 5) [] Continuation (If checked, go to 2)		
2	Does the patient have a previously approved prior authorization (PA) on file with the current plan? [NOTE: If the patient does NOT have a previously approved PA on file for the requested medication with the current plan, the renewal request will be considered under initial therapy.] [If no, skip to question 5.]	Yes	No
3	Has the patient been established on therapy for at least 3 months?	Yes	No
