

## 2025 Member Satisfaction Results

Each year members of Maryland Physicians Care (MPC) are randomly selected to participate in the Consumer Assessment of Healthcare Providers and Systems<sup>®</sup> (CAHPS<sup>®</sup>) survey. The purpose of the survey is to assess members' satisfaction with the services received from their health plan and plan providers. MPC uses these results to identify opportunities for improvement and address member's needs. Below are the CY 2025 CAHPS results.
